AMENDMENT

**RECEIVED**  
OCT 31 2002  
**GROUP 3000**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

The enclosed Amendment is in response to the Office  
Action dated June 28, 2002 for the above identified patent  
application.

IN THE CLAIMS:

Please cancel claim 22.

Amend the claims as follows:

- B1
1. (Twice Amended) A method of providing information about a product, the product available for purchase from a plurality of sources, the method comprising:
    - receiving a selection of a product category from a predefined set of product categories using information about the product;
    - accessing a list of extraction parameters for the product category;
    - receiving a selection of at least one extraction parameter in the list of extraction parameters;
